## Towed / Impounded Vehicles

Through the course of a year, the Elyria Police Department tows many vehicles. These vehicles are towed for many reasons. In some cases, the owner never reclaims the vehicles, so the police department overtakes ownership of the vehicle. With ownership, the department can auction the vehicle at the annual police auction or have it sent for salvage at a contracted salvage dealer.

The following are the statistics for activity on towed and impounded vehicles by the Elyria Police Department for 2006:

## Community Oriented Policing Services C.O.P.S.

Elyria Police Department has revamped the Community Policing Program. In the past the police department had a specialized unit assigned to handling all the neighborhood problems in the city. The new program focuses on a department wide community oriented policing philosophy. Hopefully with the new direction the police department is taking, it will improve the police department response to long-term problems in the neighborhoods and also develop a one on one relationship between civilians in the officers allocated zones.

The police department divided the city into six patrol zones (Neighborhoods). There are officers assigned to the COPS program on all three shifts, along with detectives and supervisors responsible for solving neighborhood problems. Each neighborhood officer was selected to work those areas on a long-term basis. The purpose of assigning the officers to the same zone is so that the officers could work with the citizens in those areas, to identify the problems and then to find solutions to the problems by developing partnerships with the people who live in the neighborhoods.

## **Special Response Team - SRT**

### **D.A.R.E.**

The Attorney General for the State of Ohio, the Association of Police, and the Ohio Department of Education have combined their resources to bring D.A.R.E. to Ohio to prevent drug abuse by school age youth. D.A.R.E. is a kindergarten through eighth grade curriculum, with a primary emphasis in the fifth and sixth grades, just before the children are most likely to begin experimenting with drugs or alcohol. The lessons focus on techniques for resisting peer pressure, making decisions and problem solving: students are also challenged to consider the consequences for their actions and to consider healthy alternatives to drug use.

In November of 1990, the Elyria Police Department made a commitment to D.A.R.E. and the Elyria City School System by having Officer Rick Valentik complete 40 hours of D.A.R.E. training. Officer Valentik presented the first D.A.R.E. Class in the Elyria City Schools in November of 1990 and March of 1991. Beginning in March 1991 until June 1991, D.A.R.E. was presented to six Elyria schools and to parochial schools.

Officer Rick Valentik presented the D.A.R.E. curriculum until May of 1992 when officer George E. Wakemen was assigned to the position. He was trained as a D.A.R.E. officer in 1993 and conducted classes in eight public schools and two parochial schools. In April of 1993, Officer Bob Brandal was trained as a second D.A.R.E. officer and began teaching in September of 1994. In the fall of 1996 Officer Wandra Ward was trained as a third D.A.R.E. officer and began teaching in January of 1997. In 1999, one D.A.R.E. officer was reassigned to the Elyria High School to serve as a School Resource Officer.

During the 2005-2006 school year, the D.A.R.E. curriculum was presented to 353 students in 14 public, parochial, and private schools within the City of Elyria. Since the D.A.R.E. program's inception in 1990 approximately 11,700 students have graduated from the program. The D.A.R.E. program consistently receives excellent reviews from the school system and from the community.

The D.A.R.E. program is made possible in part by the funding provided with passage of the police levy by the citizens of Elyria and a grant from the Ohio Attorney General's Office. Their support and assistance are vital in helping make this police service possible.

With the cooperation of the Elyria Roll Arena, D.A.R.E. held monthly skates during the school year where 1,700 kids enjoyed Drug Free/Trouble Free evenings of fun and excitement.
